

By faith Abraham, when God tested him, offered Isaac as a sacrifice...Abraham reasoned that God could raise the dead, and, figuratively speaking, he did receive Isaac back from death.

## Director Update

Recently I read the story in Genesis where God asks Abraham to sacrifice his son Isaac. To Abraham this must have sounded completely ridiculous but the Bible doesn't say that he even questioned God. He followed God's instructions completely in faith. I would like to say that I always trust God completely but as I look back over the last year, I know there were times when I questioned God and wondered what He was doing. Just as in the story of Abraham and Isaac, God revealed that He could bring good out of the seemingly unreasonable and ridiculous circumstances. God was glorified when Abraham was faithful.

This past year for Steeprock Bay Bible Camp, being faithful to God meant that we had to look beyond what seemed reasonable, normal, and comfortable. It meant that we did not have the benefit of planning well in advance. It meant that not everyone could physically come to camp. Campers that could come were not able to stay the night.

In spite of the challenges, it also meant that more people were available to be staff because of less personal commitments. It meant that campers and staff could rest in

the evenings and be rejuvenated for the next day. Staff could study the scriptures together and grow spiritually.

As we move forward our desire is to continue teaching God's word to children. We now have a year of experience running day camps in a pandemic however we realize that the future is completely unknown and it is essential that we trust God's leading and stay faithful to Him.
