## Director Update

“Remembering God's Faithfulness”. That was the camp theme this year so it only seems fitting to look back now that camp is over and reflect on God's faithfulness this summer.

A couple of months ago we found ourselves wondering how to move forward with camp plans with so much uncertainty surrounding us. God was faithful in giving us wisdom to come up with a plan that gave us direction and purpose. The decision was to change our original plan and run two weeks of day camps at the beginning of August.

I am always amazed how even when we think we have a plan, God's plan is often different and so much better. On the weekend right before camp, we received word that there was a forest fire between The Pas and the camp and the highway was closed. This meant that our campers, speaker, and some staff members could not make it to camp for Monday morning. We decided to open it to anyone who wanted to come and provide transportation for campers from Sapotaweyak. There was a good turnout from Sapotaweyak Monday morning. We had a great staff team who filled in the gaps including a last minute chapel speaker for Monday and Tuesday. It ended up being this way until Wednesday. As unfortunate as it was to cut the week short for campers from The Pas, we had some very special opportunities to teach the Gospel to the ones that came from Sap, many of whom gave their hearts to Christ.

The highway opened Wednesday and by Thursday we were able to have our bus in The Pas to pick up campers. We were so glad for the two days that we had with them. We rejoice that even in those two days there were some who accepted salvation!

Week two was another great opportunity to have campers from Sapotaweyak. God is doing a great work in the community of Sap. It is refreshing to see His faithfulness in changing hearts and lives.

Our thoughts go out to the many kids from communities farther away who were not able to come again this year. We trust that God will show His faithfulness in this as well and that we will see His good and perfect plan come to fulfillment. Alicia and I would like to take a team to visit these communities at some point this year. Pray that this would be a possibility as there have been many roadblocks keeping this from happening so far.

I'm grateful for the staff who gave of their summer and were flexible enough to work with the changing schedule. Day camps meant that we as a staff once again had the opportunity to study the Bible together in the evenings. It takes a team that is faithful to God to make camp happen.

Now our work continues as we pray for the new believers from this summer and summers past. They need our prayers and our support. Will you join in the work of lifting up these young Christians to the Lord in prayer?

## Waymakers Update

Due to the uncertainty of the past two years, the Waymaker program has unfortunately been unable to run. This has not been because of a lack of interest from potential participants! Some young volunteers this summer were paired with more experienced volunteers in order to gain from a mentoring experience.

We are hopeful that come summer 2022, we can not only run overnight camps, but also bring back the Waymaker program in order to continue training and discipling youth as future leaders.

Please join us in prayer as we look for the right person/people to serve as Waymaker leader(s). Please also pray for those young people who will take part in the Waymaker program, that they will already be preparing for the opportunity to learn leadership through service.

## Board Update

Board elections are coming up again in November and there will be multiple positions open. Please prayerfully consider whether this is a way God is calling you to serve the camp and contact Board Chair Ferlin Abrahamson ([fabraham@mymts.net](mailto:fabraham@mymts.net)) for a nomination package.
