

Satisfy us in the morning with your unfailing love,  
that we may sing for joy and be glad all our days.

# Steepprock Bay BIBLE CAMP

## Director Update

This past weekend we had a guest speaker in our church who spoke on the topic of joy. We were reminded of how our joy must not be dependent on our circumstances. In Philippians 4:4 Paul says, "Rejoice in the Lord always; again I will say, rejoice." The Lord is our source of joy and there are many secondary pleasures in this world that ought to point our rejoicing to the one who gives us these things.

It is not hard to rejoice when we hear reports of restrictions being lifted that would allow for camp to function more fully! Things are shaping up for a great summer of camp! It is looking more likely that we can have overnight camps than it has in the last two years! This would mean that the farther communities like Norway House and Moose Lake could once again send campers. This excites me very much!

Another exciting development is the addition of family camp. I really look forward to the different dynamic this will bring to camp. We hope to get to know many people at a deeper level in this way. If you are interested in coming to family camp, which will be July 23-26, please let me know. It is open to anyone.

Please take note that we are looking to fill a number of positions such as Waymaker leaders, lifeguard, head cook, as well as cabin leaders. We are in communication with a potential program director but nothing has been finalized so please keep that in your prayers.

Our desire is still to take a group of camp staff to Moose Lake and Norway House this spring and see the people there that we miss so much. Please pray that this will be a possibility.

- Logan Bueckert, Camp Director

We are seeking applicants for multiple leadership positions at camp this summer. For more information, contact Logan at [director@steepprockbaybiblecamp.ca](mailto:director@steepprockbaybiblecamp.ca)

Please continue to pray for all campers and staff who have attended SBBC!

## Board Update

Thank you to all of you who have prayed about the land use permit concern. We believe God is in the process of answering those prayers- though it is certainly not signed, sealed, and delivered yet. Please continue to pray with us that we may “find favor in the presence of this man” (Nehemiah 1:11). We feel that there is reason to hope that the camp permit will be expanded to include the whole camp grounds from the river out to the highway.

- Ferlin Abrahamson, Chair
