Director Report

When I look around at everything God is doing, I can't help but be filled with gratitude for the privilege to be a part of it.

In April our family travelled to the communities of The Pas/OCN, Cormorant, Moose Lake, and Norway House. Some of our camp staff were able to join us for part of the trip. Our desire was to encourage the believers in the communities, follow up with past campers and encourage more kids to come to camp this year. Through all of these interactions we were in turn encouraged and blessed.

In OCN we spent some of the time sliding on a snow hill with the kids. As one of the little girls walked up the hill I heard her reciting the camp theme verse from last year. One of my favourite things is knowing that the scriptures are being taught and remembered!

It's hard to believe that we will be seeing many of these kids again in a matter of weeks. It is so exciting to be heading into another summer anticipating what the Lord will do!

A number of staff have applied and we are so grateful for the team of missionaries that is coming together to serve at camp this summer. Many positions are not yet filled and we continue to pray for the Lord to send workers. Maybe He is calling you. Please prayerfully consider how you can be involved this summer.

Thank you for your prayer and support of the ministry of SBBC!

- We would like to welcome Ed Loeppky to the board! Ed has been appointed to serve on the board until the next AGM, when he can be duly elected.
- Land Expansion Permit – we are encouraged at the strong relationships continuing to be built with SCN and Crown Lands office, but would still appreciate your prayers as nothing has yet been finalized.
- MCA Accreditation – the final accreditation visit is set to take place this summer.
