

For by grace you have been saved through faith. And this is not your own doing; it is the gift of God!

STEEPROCK BAY BIBLE CAMP

Director Update

As we taught our theme 'Saved by Grace' the Lord continued to teach us about His unending grace. Every time I had the opportunity to share my testimony around the campfire, the Lord put it on my heart to talk about how even though I'm a Christian, I mess up all the time and yet God still chose to save me and use me, a broken person, for His work. What a humbling reminder that in spite of our failures, God's plan is carried out and He gets the glory.

As we faced situations with challenging campers, it gave us the opportunity to extend this grace to them and see how they responded. So often they are acting out because they are desperately crying out for love and attention. When we can meet those basic needs, the hardened outer shell is broken and we all of a sudden have an opportunity to speak into their lives on a deeper level.

God also showed his provision once again in how He provided a fantastic staff team each week. Each person was a key part in the work that God did at camp this summer and we praise Him for bringing each one to SBBC.

Board Update

A number of board projects have been placed on hold due to the uncertainty surrounding our land use agreement. These include our strategic planning process due in the fall of 2023, MCA accreditation, as well as any plans for new buildings or major fundraising. We appreciate your prayers as this challenging process continues.

Due to health concerns, Ed Loeppky has stepped down from the board. We wish him God's peace as he recovers.

We are grateful Ed and a team from Macgregor were able to complete a work project of putting tin siding on two cabins following camp.
