Director Report

Camp has come to a close now and as we reflect on the summer, we were very encouraged by the number of campers who came this year each week was full. 205 came in total.

It is always exciting to see many returning campers from previous years. Stronger trust and relationships are built through the consistency of staff and campers returning each year. This allows for a level of discipleship that just is impossible when someone is meeting a new person for the first time. there were some campers who made commitments to follow Jesus. It is always rewarding to see this happening, and being reminded that God is stirring their hearts to follow him.

The Waymaker program has really gained momentum in the last few years. This year we had to cap how many could come each week because there were so many showing interest. 10 individuals participated this year. It is great to know that those who have taken the program are telling their friends and encouraging them to take part in it. It was very exciting to see at least 3 individuals in the Waymaker program who have committed their lives to the Lord showing evidence in the way they live and act that points to God's work in their lives. It is one thing to know that someone has made a commitment, but it's even more exciting when we see fruit in their life. Once again God blessed us with an amazing team this year. The Lord reminded me to pray often for enough staff this spring. **Continued....**

STEEPROCK BAY BIBLE CAMP

Knowing the love of Jesus and following Him together

Director Report Continued.

Those prayers were answered in abundance for weeks 1-3 and week 4 we had just enough. In total we had 69 staff including everyone from those who stayed all summer or just a day. They came from a variety of places this summer including Alberta, Saskatchewan, Montana, Paraguay, and Manitoba

To God be the Glory in all that we do.

-Logan Bueckert, Camp Director

Prayer needed for...

-Our need for board members is as real as ever. With two members leaving the board at the AGM, two more will be need to be nominated prior to that in order for the organization to continue independently. Pray for wisdom as we explore possible partnerships and seek board members.

-Plans are underway for spring break day camps, possibly in two communities this year

-That campers and Waymakers would remember what they have heard and commitments they have made and continue to grow in their faith

Thank you for your prayers!

Thank you Donors!
